create & share

25 years ago, she didn't know how much difference a stamp could make . . .

. . . Listen in on a personal chat with Shelli as she highlights a 25-year adventure.

Twenty-five years ago, how did you imagine Stampin' Up!?

We really expected to fill orders while the kids took naps and return phone calls at night after they went to bed. We also knew that other women needed what we needed . . . fun, creativity, friends, and maybe a little extra money on the side. It's been a fabulous adventure—one that I wouldn't trade for anything!

THE FIRST CARD I EVER

{STAMPED} WAS . . .

A birth announcement for Shanna. I'd be embarrassed to send it out today—it was so simple and basic—but I remember feeling so proud of those announcements back then!

→ THREE PRODUCTS I ALWAYS LEAVE ON MY CRAFT TABLE ARE... PAPER SNIPS, STAMPIN' DIMENSIONALS, AND MY COLOR CADDY. I DON'T MAKE ANY PROJECT WITHOUT STAMPING ON IT, SO I NEED THOSE INK PADS RIGHT THERE!

WHERE DO YOU FIND YOUR {INSPIRATION?}

Where don't I find inspiration? Everywhere . . . nature, fashion, music, books . . . even in life's simplest moments. When you're looking for inspiration, it's all around you!

Why is Ronald McDonald House Charities® the Stampin' Up! charity of choice?

I wanted us to do more than donate money. With RMHC®, we volunteer in local Houses and offer our gifts of time and creativity to those who need it. And I'm thrilled to say that this year our support of RHMC will go across the globe! (Read more and see the RMHC stamp set on p. 209.)

How do you think Stampin' Up! has changed people?

Thousands of people have shared stories with me of how Stampin' Up! has changed them . . . from strengthening self-esteem and developing public speaking skills to discovering artistic talent and building rewarding careers—and everything in between. Just as importantly, Stampin' Up! has brought people together, providing endless opportunities to create lasting, meaningful relationships.

WHERE DO YOU SEE STAMPIN' UP! IN ANOTHER {25 YEARS?}

Who knows what we can do? I know we'll do incredible things in the decades to come. Maybe we'll be in 20 countries or be a name millions recognize (fingers crossed). Regardless, I know we'll still be making a difference in the personal lives of those who are a part of Stampin' Up!

What product can't you live without?

That's easy—stamps! I love my stamps . . . I stamp everything!

create & coordinate...

WITH YOUR {STYLE}

I want to decorate my house using papercrafting—in my style and my way.

Piece of cake. We've got a variety of styles to suit any taste. Just add your own flair. For a trendy start, check out the Quatrefancy product suite (p. 120).

Wander through the catalog with us—
visit stampinup.com/showmehow.

WITH {COLOR}

I want to create projects that look amazing, but I don't have time to guess if everything coordinates.

No worries. All your guesswork is gone. All our ink, paper, and accessories are perfectly color coordinated.

If you want everything to be Real Red—it will be. Check out all our color coordination (p. 138–149).

WITH YOUR

{LIFE}

I need easy gift packaging ideas for all of the happenings that pop up during the year.

Problem solved. Find gift tag and packaging ideas for birthdays, baby showers, weddings, thank yous, or just because. (Start with products on p. 158–160.)

choose create

clear blocks

You only need one set of blocks for all your stamps. Clear blocks sold separately (p. 196).

Reposition stamps on clear blocks when you stamp, then remove for space-saving storage.

You'll love the sleek and modern feel of our clear blocks.

Each set comes in a space-saving case the size of a DVD case for easy storage on your shelves.

Cases give you an at-a-glance view to make it easy to find exactly what you're looking for.

wood blocks

New wood-mount cases have the set name and stamp images on the spine. No more searching means more time to stamp!

Permanently mount the stamps on the blocks, and they're ready to go when you are.

Each wood-mount set comes with a set of wood blocks.

You'll love the natural feel of our farmed maple wood blocks.

New wood-mount cases (p. 197) are wider to accommodate mounted stamps—and they're great for storing other items too. Use them for markers, small punches, embellishments, and more!

STAMPS

What do you want to create today?

Stamp artwork for every occasion, every taste, and every creative mood. What will you choose?

Stamp artwork is shown at 100%. (unless otherwise noted). What you see is what you'll stamp!

Many of our stamp sets also come in Spanish, French, and German. See the name, item number, and artwork for all these translated stamp sets by visiting stampinup.com/translated.
