### **TIPS:**

~Be careful when handling the wood die cuts. Use a paper-piercing tool to remove the pieces.  
~Before adhering any pieces, put them on the tag to get the placement you want.  
~We recommend using Stampin' Dimensionals to pop up some pieces. Use adhesive of your choice on other pieces. We used the Fine Tip Glue Pen and Glue Dots on our samples.  
~Stamp "To" and "From" on back of tags.  
~Cut twine into 8" pieces for tag ties. Tie twine through the holes to complete the tags.

### **STEPS:**

**FIRST:** Stamp "To" and "From" on back of tags
